3815 BAKERVIEW SPUR #4 ♦ BELLINGHAM, WA 98226-7680

(360) 734-4631 ♦ (800) 303-4631 ♦ FAX (360) 734-9429

Are you compliant with the Graeme Baker Pool and Spa Safety Act?

- Mandates Federal safety requirements for all public pools, by **Dec 19th, 2008**
- Anti-entrapment drain covers are required

FOR ALL MAIN DRAINS ON PUBLIC POOLS AND SPAS!

Single main drain systems will likely require some type of Safety Vacuum Relief System (SVRS)

NCCP Anti-Entrapment Audit

- Our expertise helps ensure your compliance
- Low cost (\$150.00 for most pools)
- Written report on compliance status
- Recommended changes

- We can provide, and install, several different SVRS systems to meet your needs.
- Vac-Alert, Stingl, or Pentair Energy Efficient Pumps are all available SVRS options.

Contact Kris for your low cost report at 360-734-4631
